NOR'EAST TOY DOG CLUSTER

This year we will again be in the larger building.

We will follow all federal and state guidelines in force at the time of the show.

As in the past, any exhibitor (or group of exhibitors) with 5 or more dogs entered <u>may request</u> a reserved crating spot. There is no charge for this reserved space.
There will be additional space available for those with less than 5 entries but it will not be reserved.

The Nor'East Toy Dog Cluster, supported by the Officers, Board and Members of the Classic Toy Dog Club of Western Massachusetts and the Town & Country Toy Dog Club of Eastern Massachusetts, have developed the following procedures and practices for our 2022 Cluster of Shows and Events. Everyone who attends the cluster for any event or in any capacity is covered by these "cluster rules" as stated below.

IF YOU ARE ILL, FEEL UNWELL, COUGHING, SNEEZING, RUNNING A TEMPERATURE, OR BEEN EXPOSED TO ANYONE WITH COVID-19 WITHIN THE LAST TWO WEEKS, PLEASE STAY HOME. ENTRY FEES WILL NOT BE REFUNDED IN THESE CASES.

Respect the directives of Club Officials, and Show Committee members to keep the show safe. Honor all members of the dog show community, by adhering to Covid-19 guidelines. Many in the dog community are in high-risk categories. They are present demonstrating their passionate efforts to make these events safe, sustainable, and successful. Please review the AKC COVID Conformation Best Practice Guideline. Failure to follow the directive of Club Officers and/or Show Committee members can result in a Bench hearing, and expulsion from the grounds. By the act of entering the show grounds beginning May 26 thru May 29, 2022, the event participant acknowledges awareness of the risks associated during a pandemic, and grants a waiver of liability in order to engage in any of the activities as part of the Classic Toy Dog Club of Western Massachusetts, Inc. & Town & Country Toy Dog Club of Eastern Massachusetts, Inc. Toy Group Dog Shows. The participant agrees to adhere to the following stipulations identified to enhance safety, in order to engage in the above described events.

PLEASE BRING WHAT YOU NEED TO KEEP YOUR DOGS COOL! If a dog is in distress you have waived your right and we will break into the car to protect the dog's health and safety.

To minimize the number of persons near the rings at any one time, be aware of and adhere to your scheduled times. Do not arrive at your designated location more than 15 minutes prior to your scheduled time and exit the area upon completion of your participation.

ENTERING THE BUILDING

The first time anyone enters the building they will be asked to submit their signed Waiver.

This applies to EVERYONE including club members, workers, handlers, judges, AKC reps, vendors, building employees and anyone else not listed.

Each person who submits the signed Waiver will be issued a colored wristband.

This wristband will allow you to enter the building during the weekend.

GROOMING

There is no electricity available in the building and no fans, blowers or hair dryers will be allowed.

DOGS MAY NOT BE LEFT IN THE BUILDING OVERNIGHT.

NO PRIVATE INDOOR EX-PENS ALLOWED

Penny Kretchmer will be in charge of the crating area. Please follow her directions. Anyone not following the rules will be asked to leave the premises.

Crates are only allowed in general ring area 15 minutes before and 15 minutes after your breed judging. Please use good judgment to respect social distancing requirements if marks are not present on flooring. Classes, breed etc. may be divided to allow for social distancing. Rings will have separate entrance and exit gates to facilitate social distancing. Do not congregate at the rings or in the aisles.

CONFORMATION JUDGING

Exhibitors will line up outside the ring maintaining social distancing and exhibits will be called into the ring as each judge deems appropriate. The judge will direct you as to how to prepare your dog for exam. Follow the judge's directions. When gaiting with other dogs, maintain a 6 foot distance between exhibits. After placements are made, please leave the ring and, if you are not going forward in the judging of that breed, please leave the ring area. The judge or steward will direct those who will remain as to where they are to wait for BOB judging.

ARMBANDS & CATALOGS

When approaching the rings for showing, only the steward will have access to the ringside catalog

Armbands will be available at the Show Secretary's tent. To facilitate this process, please know what armband(s) you need. Please maintain a reasonable distance from the table and the person in front of you when securing your armbands.
Each dog will only have one armband for the weekend. Please do not throw it away.

There will be NO public catalogs. We will have catalogs for sale.
Exact change or check required for catalog and tee shirt sales.

CHAIRS
No public chairs will be provided.
The cluster will not provide any seating around rings. Exhibitors can bring their chairs but must maintain social distancing between each other and from the rings. Household units are free to sit together. No group gatherings or congregating in the buildings. Chairs must be removed immediately after the judging of your breed.

MASKS
If the judge is wearing a mask, everyone in that ring must wear a mask.

VENDORS
Vendor Booths – Masks must be worn at all times when in a vendor's booth.

HAND SANITIZERS
Hand sanitizer stations will be in multiple locations throughout the building.

SIGNS
Please observe all signs especially pertaining to entrance and exit doors on the building. You will not be able to enter or exit every door.

SHOW SECRETARY
No EXHIBITORS, HANDLERS, OWNERS, BREEDERS, etc. are allowed behind the Show Secretary's table.

HEALTH
An AED is available on the show site near the front entrance. All show participants are required to self-assess daily. If anyone exhibits symptoms of illness consistent with COVID-19 – such as fever, fatigue, cough, chills, muscle pain, headache, sudden loss of the sense of smell, diarrhea, sore throat, or shortness of breath-they should immediately leave the site, self-isolate, and seek medical care. A decision can be made by the exhibitor to have their dogs shown by volunteer handlers if they wish.

Infection control - Wash your hands frequently for at least 20 seconds. Avoid shaking hands, hugging, or other physical contact. Avoid touching dogs that are not your responsibility. Avoid common use pens/pencils – bring your own writing instruments. Clean up after your dogs.

The above rules are our attempt to have a fun event and yet still maintain a level of safety for all who attend. We will have committee members circulating to ensure that everyone understands the rules and to answer questions. We ask that you honor any request made of you. While we are doing everything that we can to make these events as safe as possible, entering the building and participation is at your own risk.

Please note that the BBE class now has 2 separate divisions and mark your entry blank accordingly:

AMERICAN KENNEL CLUB CERTIFICATION
Permission has been granted by the American Kennel Club for the holding of this event under American Kennel Club rules and regulations.
Gina M. DiNardo, Secretary

AKC National Owner-Handled Series

(Remember to check the box near the bottom of the entry form)

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

All dogs that are owner-handled and are not owned or exhibited by professional handlers* meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. **Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and current assistants** to professional handlers may not exhibit the dog in any competition during the entire show.**
Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

Judges assigned to judge only AKC National Owner-Handled Series (NOHS) Groups and/or Best in Show may exhibit in the regular competition on the day(s) they judge but may not compete in NOHS at the same show, circuit, cluster or weekend of shows they judge.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled group.
- If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed/Variety.
- If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed/Variety.
- If the Best of Winners is eligible, the other Winner is ineligible since it was defeated.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring. The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed or in Best of Winners competition.

** Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.*

** *A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend.*

The Divisions will be Puppy (6 months and under 12 months) and Adult (over 12 months).
As a result of this change, entries competing in any division of the Bred-by-Exhibitor (BBE) Class, which are awarded winners, will be counted toward the BBE medallion as the dog advanced from the BBE class as required. In addition, the Puppy division of the Bred-by-Exhibitor class will be added to the list of classes in which points toward the Puppy of Achievement Certificate may be earned.

At our shows, on the days that we offer a Puppy Group, there will be no change in the Best Puppy in breed competition. Only the winners of the 6-9 month Puppy and 9-12 month Puppy classes will be eligible for Best Puppy in Breed. The winners of the "BBE Puppy" classes WILL NOT BE ELIGIBLE TO COMPETE FOR BEST PUPPY IN BREED, as they are coming from a division of the BBE class not a Puppy Class.

We can now take Discover, MasterCard, Visa and American Express credit cards for your entries. We will need the exact name on the card, the card number, expiration date and the security code from the back of the card. There is a $4 charge per dog per day.

The Delegates at the December 2018 meeting approved a revision to **Chapter 16 Section 1** of the Rules Applying to Dog Shows. This revision, which relates to the calculation of points for Best of Winners, is **effective January 1, 2019**. The revised rule provides a provision where a single point may be earned by the dog awarded Best of Winners if neither sex had sufficient dogs in competition to qualify for one point for its breed in the region the show was held.

The revised paragraph 5 of **Chapter 16 Section 1** will read as follows:

The dog awarded Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. If no points are credited to the dog awarded Best of Winners, the regular class dogs of both sexes shall be counted in calculating championship points. A maximum of one championship point can be awarded when combining sexes for the Best of Winners point calculation.

In Summary:

- The championship criteria remains unchanged
- The sexes may only be combined if there is not a point available in both sexes.
- The combination of animals has to be compared to the applicable point schedule to determine if a point was earned.

To explain, when neither sex has sufficient entry for one point, Best of Winners will now earn one point if the sum of the class dogs and class bitches equals or exceeds the number required for one point in the breed for that sex in the region the show was held.

The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to complete for the following year.
